VI Reading comprehension (12 Marks)

Amina is very **happy** these days. She is going to school for the first time. She will be in grade one. She is very happy because she will go to school like her sister Mona. Her mother took her to the souq last week to buy new clothes for school. They bought some clothes, a bag, and new shoes. They also bought pens and pencils. Now it is time to go to school, **she** is afraid that there will be no friends at school. Her mother and father tell her that she will find new friends and learn new things. It is the first day of school, her mother drives her in the morning. Amina feels alone, she looks around and finds another girl, Huda, who is also afraid. They become friends. Now Amina likes school very much and wants to go there every day.
