## II. Reading Comprehension { 12m }

### Read the following story then answer the questions :

Tom was a little boy from London. He lived with his parents in a small house in a town. They didn't have a garden. One day he said to his father, "I've got money, Daddy. Can I buy a pony, please?" "No, we can't have a pony because our garden is too small and we haven't got a field." his father said. Tom's father got a new job in another place and the family left their small house in the town and went to live in a bigger house in the country. It has a nice garden and a field. Tom was very happy. There was a farm near their new house and there were horses, cows and a few sheep there. Tom went to see them every day.

"My birthday is next month", Tom, thought. "Maybe Daddy will buy me a pony." Then his birthday came. His parents gave him some nice presents but they did not buy a pony for him. John is Tom's uncle. He is a farmer. He came from London. "Hello, Tom, "Uncle John said," Happy birthday". This is your birthday present from Aunt Mary and me. "Tom was a little afraid, because the pony was very big. He said: "Is he for me, or am I for him?"
