Comprehension (12 m.)

12

Read the following passage then answer the questions :

Health is the most important thing in life; **it** is indeed equal to all the wealth in the world, because you may have money but if you haven't got health to enjoy it, you can never be happy. There is very little joy in life to an unhealthy man. **He** is always tired and worried because he cannot have a normal life. You should make it a habit to rise early in the morning. The old saying "Early to bed and early to rise makes a man healthy, wealthy and wise" is correct. Walking in the morning and going on diet are necessary as well. One must do exercises to have a strong body.

Moreover, food such as vegetables and milk are good for the health. If you do these things you will be healthy.

A) Choose the correct answer from a, b, or c : (4x1 = 4 m.)

1- The underlined "***it"*** refers to …………………..
  a. money   b. joy   c. health
