**10****I-Reading Comprehension (6ms.)****Read the following passage to answer the following questions:**

Last night, I couldn't sleep. I walked quietly into Dad's room. Dad was sitting next to the window looking at the sky. I asked him, "What are you doing Dad?" He said, "I'm watching the moon and the stars." **They** are beautiful. The sky is different every night because the moon goes around the Earth." Then, I asked, "Is the moon a star?" Dad said, "No, it's a big ball of rock. There aren't any plants or animals on the moon. There isn't any wind or water. We thank Allah that we live on the Earth."
